

CONTACTLESS FUNCTIONALITY

Simply tap your card with a contactless interface on the terminal reader when making payment. The following are additional information for you to have better understanding on the contactless functionality :

No PIN or signature is required for contactless transactions up to RM250.00 in Malaysia.

Cumulative contactless transaction limit is defaulted to RM500.00.

To change the cumulative contactless transaction limit, or to turn off the contactless functionality, you may perform it via the ATM / CRM or call PB Card Services Help Desk at 03-2176 8000.

The cumulative contactless transaction limit will be reset automatically after performing transaction with PIN entry.

CARD-NOT-PRESENT ("CNP") AND OVERSEAS TRANSACTIONS FOR DEBIT CARD

CNP transaction is a card payment transaction where the cardmember is not physically present at the merchant when the payment is made, while overseas transaction is a transaction that is performed outside of Malaysia.

In order to enjoy greater potential of your debit card usage for transactions such as

- Mail Order
- Online Transactions
- Recurring / Auto Debit (i.e. telephone, utilities bill)
- Cash withdrawal at overseas ATM or POS terminal

You may opt-in via PBe Online Banking or Public Bank ATM/ Branch.
