

! Financial Scam Alert

How to identify the PBeBank's genuine website

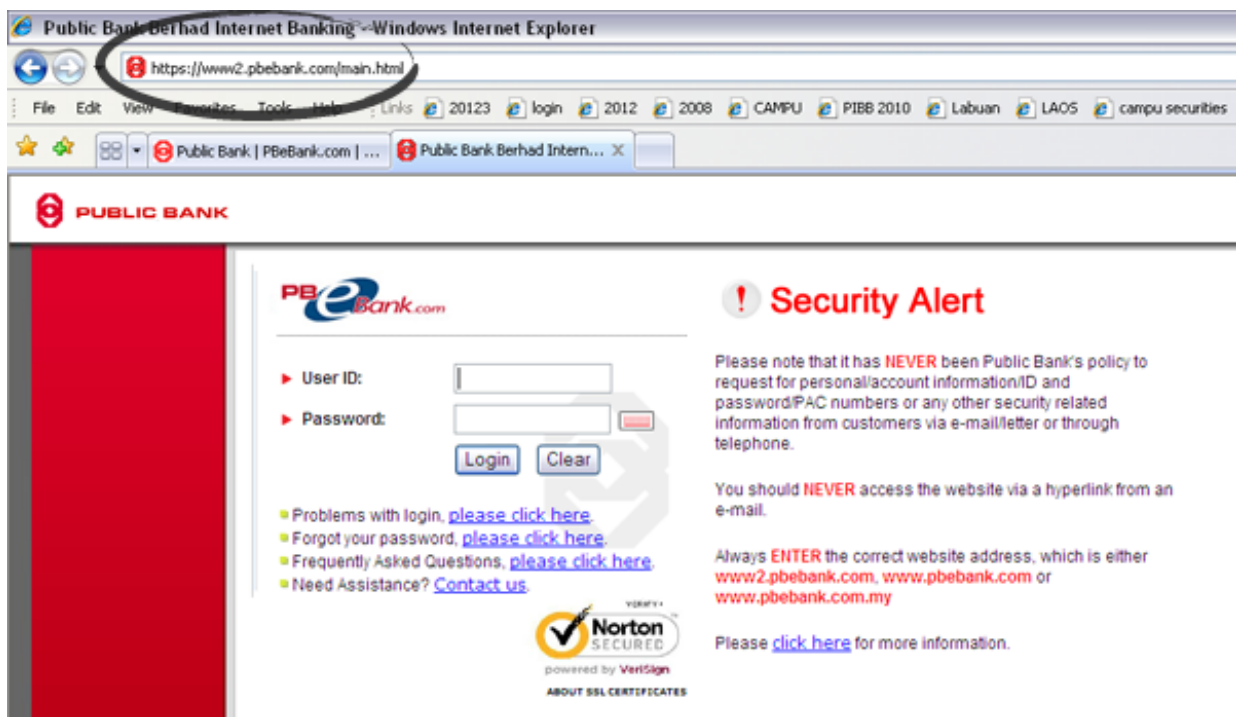

► URL Address

Always enter our Public Bank internet banking website address manually at the address bar or bookmark the link.

- <http://www.pbebank.com>
- <http://www.pbebank.com.my>

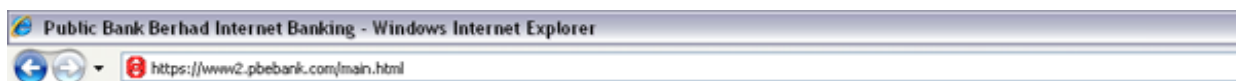

It is advisable to avoid searching for our Website via Search Engines.

When you get the Public Bank Internet Banking Login page, always confirm that the URL address should be **<https://www2.pbebank.com/main.html>** which is our Secured Internet Banking Login Page address.

► Digital Certificate

To verify the validity of PBeBank.com Login page, click on the MSC Trustgate VeriSign secured icon.

SECURITY NOTICE!

It has been brought to our attention that phishing scams and fraudulent emails have been circulated to our PBeBank.com customers. The phishing e-mail messages and pop-up windows would often look quite authentic, featuring corporate logos, color scheme and formats similar to the ones used for legitimate messages of our actual web site.

How to tell if an e-mail message is fraudulent?

Public Bank would not request you to update your Passwords, Login IDs, NRIC numbers or any other personal information through e-mails. If you receive e-mails asking you to update your personal information, **please do not respond to the scams**. Report to us immediately by contacting our Customer Support helpdesk at 603-2179 5000 or via e-mail at customersupport@publicbank.com.my

If you do not have the 'Welcome Page' or the information displayed is either incorrect or incomplete, please exit from the browser screen. Your User ID and Password may have been compromised. Please contact our PBeBank Customer Support immediately at 03-2179 5000 for further assistance.
